Residents of Souwanas Trail

Re: Construction Operations along Souwanas Trail

Please be advised, Subbase stabilization will begin along Souwanas Trail. **During the following scheduled operations please do not park vehicles on Souwanas Trail.** Below is a breakdown of the upcoming schedule:

- Monday, July 8th, 2024 - Subbase stabilization along Souwanas Trail from Oceola to Scott Street (Phase 1). **Please arrange to have your vehicles out of your driveway prior to 7:00am on Monday, July 8th, 2024.** Please use street parking on adjacent side streets (Winaki, Manhatas, or Scott St.). Traffic will not be permitted along Souwanas until the end of construction operations for the day.
- Tuesday, July 9th, 2024 - Subbase stabilization along Souwanas Trail from Scott Street to Carriage Dr. (Phase 2). **Please arrange to have your vehicles out of your driveway prior to 7:00am on Tuesday, July 9th, 2024.** Please use street parking on adjacent side streets (Scott St., Menoma Trail, Manito Trail, or Vista Dr.). Traffic will not be permitted along Souwanas until the end of construction operations for the day.
- Wednesday, July 10th, 2024 - Subbase stabilization along Souwanas Trail from Carriage Dr. to Sandbloom (Phase 3). **Please arrange to have your vehicles out of your driveway prior to 7:00am on Wednesday, July 10th, 2024.** Please use street parking on adjacent side streets (Carriage Drive and Riverwood Trail). Traffic will not be permitted along Souwanas until the end of construction operations for the day.
- During the Portland cement application for the subbase stabilization process portions of the road will be closed off to traffic. **Do not drive around barricades or through the construction zone.** If driven through, the Portland cement may stick to your vehicle and cause damage. The Village will not be held responsible for reparations or cleaning.
- **Weather will affect construction operations. If weather pushes back the proposed schedule for the subbase stabilization operations an additional notification will be provided.**
- Week of July 15th, 2024 – Installation of asphalt binder course along Souwanas Trail.

If you have any questions, comments or concerns please feel free to contact me directly (phone call or text message) at 815.276.2081 or email at jschmitt@hrgreen.com.

Residents are also encouraged to download and utilize the "Algonquin Fix It " (aka See Click Fix) phone application and to get connected to the Village via our website and social media feeds on Facebook, Twitter, and Instagram. Please visit the project website <https://www.souwanasandschuettimprovementproject.org/> for more information.

Thank you in advance for your cooperation during this important public improvement. With your patience and understanding, the Village will efficiently and effectively manage this project and provide a valuable new asset to your neighborhood.
